

Glen Club Committee Minutes

Date: 5 March 2018

Present:

Ria Moothilal
Serle Shuman
Karl Lambrecht
Pete du Preez
Pete Wallenda
Chris Bond
Wayne Heuer

Apologies:

Flo Sexton

- RM Next club meeting talk
 - Theunis de Bruyn on getting into and flying xc
 - Flo incident at Kleinkrantz
 - Discussion leads to need for talks for junior pilots – decision that SS will drive shorter talks (basics on local flying conditions) which will be held before the regular monthly meetings.
- RM Glen club management feedback – website access and manipulation issues to be handled by Glen Management.
- RM Smaller events - still need to setup the roster and get pilots on board
- RM Discussion on Mentor system - idea from French system
- SAHPA Incident feedback – PW confirms that SAHPA has accepted RM's proposal on collating SAHPA incident reports. Go ahead to distribute on our website too
- RM asks secretary to take over minutes from the next meeting
- SS - has started on the handbook; nothing on the constitution yet
- PdP - has given RM the site info doc, discussion on putting the closed sites up as well. PdP disagrees with putting up site status of sites that are not open. RM argues that putting status up is important.
- PW - Sigs proposed rules ready for reading by others, will send to the rest of the committee
- PW - we need to decide on when we have Gatskop's for future events
- Wayne - fly away at Bulwer April 8 - 14. Fly to Durban and hire a combi
- CB - fly away to Elandskloof in winter,
- PW – proposes beer tasting for future event
- WH - bring back the awards
- CB - to make a calendar of events
- KL – Finances are up to date
- PdP - has sent through designs of the pole for a new wind sock
- PdP and KL to liaise on design and purchase thereof
- RM to inform Glen Club Management Meeting on the following
 - Wind meter has been replaced
 - Wind sock and pole - we'd like to put a new proper one on the Glen
- RM to chase to chase up cost of Glen wind talker with Tom

Next meeting: 27 March 2018 Tuesday

Venue: Karl's place 19h30
