### Action

#### **Next club meeting on 6 June 2018:**

- This meeting will be the AGM. Ria will give the Chairman's report and Karl will do the Treasurer's report. RM/KL
- The committee positions are: RM  
Chairman, Vice Chairman, Treasurer, Safety & Licencing Officer, Site Liaison Officer, Social and 2 non-executive members.
- It was suggested that one of the non-executive members should be a pilot in their first year of flying to speak for new pilots. RM
- Before the AGM Serle will arrange a competition for newbies to analyse the weather and propose the best flying sites for the coming week. SS

#### **Glen Country Club Management Meeting feedback:**

- The committee is considering converting bowling green D into a soccer court to attract younger members.
- The TFI's are considering forming a separate club. We need to be aware of this and engage with them. It should not be necessary for them to be separate. RM
- We believe that there was a TMNP WC meeting and the members on both committees were not aware of it. Wayne will speak to Pete du P. WH
- It is proposed that the new committee be tasked with continuing the work on enlarging the lower Lion's Head takeoff. RM
- It is proposed that we promote the use of the Glen Club Facebook page rather than our own separate one in order to allow all Glen members to be aware of paragliding activities. CB
- Wayne will communicate about a Van Rhyn's Pass flying weekend this weekend if the weather is good. WH
- Karl will liaise with Tom on a new windsock with stainless steel support structure. KL
- Wayne has offered to do talks on weather and reporting of incidents at 2 forthcoming club meetings. WH
- There was much discussion about top landing at Signal Hill. In principle we would like to get official permission from Parks for solo pilots to be able to land behind the car park and at the bench. Wayne will speak to Pete du P and set up a meeting with TMNP. WH
- Our website needs a section for visiting pilots. RM
- The Gatskop is starting to be organised. Speak to Clayton about the format. We feel it should not be a Cat 2 event. RM
- **Next meeting:** To be arranged after the AGM
